CHAIRMAN'S MESSAGE

I want to start off by thanking everyone who helped with the regional. Everyone who talked with me was very positive. I need to thank Rick Coker for all he has done. I learned a lot from this.

I would like to see this chapter get more active and looking for feedback of what members would like to see happen in the future. I would like to see more events where members have fun and enjoy our cars and fellowship with other members. Any suggestion please email me.

Mike Treece, Indiana Chapter Chairman

JUDGING CHAIR / DIRECTOR'S MESSAGE

I want to thank everyone for their hard work making the Indiana 2022 Regional a success. Mike Treece was exemplary in his support. Indiana Chapter, Heart of Ohio Chapter, Kruse Plaza, Worldwide Auctions, ACD Museum and Goeglein's Catering all added to the success of the Indiana 2022 Regional. As I have attended a regional, several chapter meets and Bloomington Gold the regional has received numerous compliments on how great the event was.

We have had 3 Board meetings since the Florida Regional to date. This is a HUGE step for NCRS and a necessary first step to earn trust among the members. Previous to this recent change, the Board was literally on a Gag order pertaining to BOD meetings (we sign confidentiality agreements when put in office). I believe keeping members informed will stir more interest for participation at all levels including stepping up for leadership roles. If people have more input, they tend to get more involved officially and to gain their input. Meeting minutes do not provide a clear picture in my opinion.

JUDGING CHAIR / DIRECTOR'S MESSAGE

I assure you that you will see a lot of activity with this board with the intention of determining what NCRS will be in the future by creating short- and long-term business plans to guide us. NCRS does not have this in place now and apparently never has had one from its inception, because it was not intended to become a business. Hopefully, this has answered some questions. I am now having Zoom type meetings with all Chapter Chairman and Judging Chairman in Region V after each NCRS Board meeting to inform them officially and to gain their input. Meeting minutes do not provide a clear picture in my opinion.

I would like to inform every one of the recent changes on the NCRS website (ncrs.org). When you click on Services at the top of the Home Page, you will see a new tab labeled Member News. You will find the minutes for Board of Directors Meetings, and current documents for the following: NCRS Bylaws, NCRS Hold Harmless Agreement and NCRS Drug and Alcohol Policy. You will notice that some of the Board meetings are referred to as an Executive Meeting Minute Synopsis. In an effort to bring further transparency of our meetings, the Board agreed that the content that is not considered Executive in nature should be shared with the membership. The intent is to provide an easily accessible location on the website for our most important documents affecting all members in a timely manner. Please take the time to visit this area of our website. If anyone has questions, feel free to contact me at regionV@ncrs.org

The NCRS By-Laws have been approved to be revised as follows.

All BOD minutes will be reported to membership except for items in executive session. Executive session items will be limited to employee or appointment related items, contracts, audits, financially privileged material, compensation/benefits, membership concerns including suspension/termination, attorney consultations, crisis management, actions including alleged or improper activities, legal issues, and any item before the BOD requiring the strictest level of confidentiality for the Society.

All BOD meetings are open to active members when the BOD is meeting in person and during our Annual Board Meeting.

Rick Coker, Indiana Judging Chairman and Region V Director

I am looking for a front license plate bar for 63-67 corvette. The condition, reproduction, or originality does not matter. I am just wanting one to use while I am waiting for mine to return from the chrome shop.

The weather leading up to the meet was rainy and quite cool. The facility was excellent and once the cars were inside it was a very impressive sight.
