JUDGING CHAIR / DIRECTOR'S MESSAGE

The National Convention in Mobile was well attended with outstanding corvettes. The venue was excellent for judging and seminars.

Monday evening at the Membership meeting I was privileged to present Mike Treece with Member of the Year. Mike has been an outstanding member with his dedication to the hobby with online schools, knowledge, and his willingness to always to provide help.

In 2023 there are two Regionals close to Indiana. The first is in Altoona PA. June 1 – 3, North Central MN. June 8 – 10. I would like to have a chapter meet prior to the Regionals. This would help anyone having their car judged at a Regional.

Bloomington Gold will return to Bloomington – Normal IL. In 2023. June 2 – 3.

Rick Coker,

Indiana Judging Chairman and Region V Director

Field full of beautiful Corvettes.

The 2023 National Convention will be in French Lick Indiana

The location is in beautiful southern Indiana, and you need to plan now to be there. We all need to pitch in and help to make this a very successful convention. If it is a great success, we might just be able to have future conventions there.

If any Chapter Members were missed or received any award that was not acknowledged, please contact me and I will add any corrections to the next Points and Plugs. John Waggoner ncrs@ncrs.org.

I am looking for a front license plate bar for 63-67 corvette. The condition, reproduction, or originality does not matter. I am just wanting one to use while I am waiting for mine to return from the chrome shop.
