Volume 40, Issue 2

### JUDGING CHAIRMAN'S MESSAGE

The Indiana Spring Chapter Meet was a typical Indiana spring, thunderstorms with a few tornadoes thrown in.

I thank Larry Gerig for being such a gracious host, the use of his facility and tours of his museums.

I want to thank the judges coming from Wisconsin, Illinois, Michigan, and Ohio to help with this meet.

I would also like to car owners who braved the Indiana weather, Dave Cripe, Larry Gerig, Ron Froman (Canada) and Dale Robenault. Robert Sadlak and Larry Gerig for their Bowtie Displays.

The points were approved along with the corvettes. The certificates and judging sheets have been mailed.

Sincerely,

Rick Coker,

Indiana Judging Chairman

## April Chapter Meet

Rick thanked many of the folks who helped make our April chapter meet possible.

Please enjoy a few photo's of the event.

## April Chapter Meet

## Meet Dave Cripe

It is my pleasure to introduce Mr. Dave Cripe and his son Todd. Dave brought his 1963 Coupe to our Indiana Chapter Meet, April 2023 for flight judging. Dave has owned his Corvette since 1999 but never had it NCRS judged until now.

Dave's split window does not have air conditioning but came well loaded with power steering, power brakes, power windows and an automatic transmission.

Dave lives in Goshen, Indiana and drove his car to the meet. I'm pleased to say his car did outstanding on the operations check.

I asked Dave if he knew that one of our founding members, Tom Essig, lives in Goshen. Dave said he knows Tom from around town.

Dave said that he and his son have done the restoration work on their car. Dave is a plumbing contractor and Todd is an engine rebuilder. Both are obviously mechanically inclined and the car is evidence that they make a great team.

This was the first time being judged and the car was awarded a top-flight ribbon.

Congratulations!!!

Dave said that he was surprised by the level of detail that the judges look at. Probably the same experience everyone has the first time observing the process.

Dave says that he is considering going on to a regional level meet next.

I wish him the best of luck going forward.

# French Lick 2023 National Convention

#### **a. President's Report – Mark Tulley.**

- i. Mark read the following report:
  - 1. Welcome and Happy St Patrick's Day.
  - 2. The Board of Directors has unanimously voted on an expanded Code Of Ethics. I intend to enforce all provisions and fully expect all dialog and conversations at this and all NCRS events to adhere to our policy. Inappropriate language, criticism, and personal remarks will not be tolerated. A Board meeting like January 6<sup>th</sup> is unacceptable.

3. The NCRS is a great organization with a great history, but we can and will do better at moving the club forward. We have many challenges ahead of us. With the help of the Board of Directors and the participation of our members and hard-working employees we can meet these goals. If we come together, we can have success together!
4. We will be working on expanding our marketing and advertising, along with social media and using as much modern technology as possible. Numerous members have offered to help with the programs, including two members in their 20's.
5. I will be assigning Directors to head various committees and encourage them to include members.
6. We will be expanding both the Director and Chapter Board members' training and also looking into the feasibility of Digital Publications and the formation of a Human Resources committee along with an IT committee.
7. We will publish the Discussion Board and Facebook etiquette policies and terms of use.
8. NCRS will be celebrating the model years 73-75, the "soft bumper cars". Dave Brigham, Vinnie Peters, Tom Russo and I will be working on the project.
9. Many members and Directors have ideas for the future on improving and moving the NCRS forward. We will be working on these and many other projects.
10. Let's not look in the rear view mirror but focus on the future. Let's get back to why we have all joined: for the love of Corvettes, judging, restoration, and the many friends we have made along the way. If the NCRS is to survive, thrive and grow we must always present ourselves as a inviting and fair organization for all Corvette owners.
